Generally, the Board meets the 2<sup>nd</sup> & 4th Thursday of every month (with the exception of summer & holiday months). The deadline date for filing applications is one calendar month prior to the next meeting date.

1. Once your application has been filed, staff will review it to determine if the application is complete and ready for public hearing. We will schedule a Public Hearing for the next available agenda of the Zoning Board and place a legal ad in a local paper to appear a minimum of two (2) weeks prior to the hearing date.

The Wednesday 15 days before the next meeting date, **you may check the Planning Office web page, [www.northamptonma.gov/opd/](http://www.northamptonma.gov/opd/), public meeting notice to find out if your project has been scheduled for the next hearing.**

2. The public hearing is conducted, applicant must be present, and if all information is complete, the hearing is closed.
3. Once the hearing is closed, the Board has up to 90 days to make a decision on the permit. (Zoning Board rarely takes that long).
4. Once a decision is approved by the Board, (usually occurs at the same public hearing) the Board has fourteen (14) days from the date that the decision is made to file the decision with the City Clerk's Office.
5. After the decision has been filed with the City Clerk's Office, a twenty (20) day appeal period begins.
6. Once the twenty (20) day appeal period passes, (without an appeal being filed) the applicant must pick up a Certified copy of the decision from the City Clerk's Office and record it at the Registry of Deeds. **Permit is not valid until recorded at Registry of Deeds.**
7. Proof that the decision has been filed at the Registry of Deeds must be brought to the Building Department, before a Building Permit will be issued.

**The short time frame for issuing a Special Permit is two (2) to three (3) months. The long time frame is four(4) to six (6) months.**
